

LEAD-BASED PAINT OR LEAD-BASED PAINT HAZARD ADDENDUM

Property Address: 1222 Gatehouse Drive Cary NC 27511

It is a condition of this contract that, until \_\_\_\_\_ or the Option Termination Date, whichever occurs first, Buyer shall have the right to obtain a risk assessment or inspection of the Property for the presence of lead-based paint and/or lead-based paint hazards\* at Buyer's expense. This contingency will terminate at that time unless Buyer or Buyer's agent delivers to the Seller or Seller's agent a written inspection and/or risk assessment report listing the specific existing deficiencies and corrections needed, if any. If any corrections are necessary, Seller shall have the option of completing them or refusing to complete them. If Seller elects not to complete the corrections, then Buyer shall have the option of accepting the Property in its present condition or terminating this contract, in which case all earnest monies shall be refunded to Buyer. Buyer may waive the right to obtain a risk assessment or inspection of the Property for the presence of lead-based paint and/or lead-based paint hazards at any time without cause.

\*Intact lead-based paint that is in good condition is not necessarily a hazard. See EPA pamphlet "Protect Your Family From Lead in Your Home" for more information.

Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards

Lead Warning Statement

Every Buyer of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential real property is required to provide the Buyer with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based hazards is recommended prior to purchase.
